3. Jazz Band students/families: April 9<sup>th</sup> is the CSU concert for those of you who requested tickets. If you did not request tickets, but are interested, please email Mr. Lemons immediately. More details on this event TBA. (Concert starts at 7:30 PM).
4. Applications to Letter in Band are Due April 12 (form in Schoology).
5. Many of you helped out at Mrs. Lemons' school in December. There is a second opportunity on Saturday, April 13 from 9:00 AM – 3:00 PM. Free lunch included. It's a great opportunity to sit in the ensemble and help the younger students, as well as run a sectional or work one on one with a young musician. High Plains School is located in Loveland just a few miles west of the Highway 34/I-25 exit. Google Form to volunteer in Schoology.
6. **We want you to join the Mead Summer Concert Band!** We will hold a Summer Concert Band available to any musician with at least 1 year of experience. This will include current, former, and incoming students, but also students outside our feeder. Details and a link to sign up is in the Announcements section of the band website and posted in Schoology. *(This is separate from the Marching Band Camp and Thursday Evening Rehearsals).*
7. We are running a fundraiser now until Summer Break. Use the code **40255** at Riptide Car & Pet Wash and you will save \$2 on your wash AND earn \$2 for the band. There's no limit, so keep your car looking nice and be sure to share the code with friends and family!
8. Please check the calendar at the bottom of our website. Events are added/edited as necessary, including a Jazz Band performance at the Longmont Art Walk in May.
