

Mead High School Bands

6/17/2019

Hey Band!

1. Pampered Chef has teamed up with Disney to offer a limited edition Toy Story 4 Breakfast Set! The Mead HS Bands Fundraiser allows students to earn 20% on all sales from the full catalog, and an additional \$5 per Toy Story 4 Breakfast Set. Orders are tracked by student so we can credit your Disney World Account. Details on the next page.
2. We are seeking new and continued sponsors from businesses and families that want to support the Mead HS Bands. You can help us by seeking sponsors interested in donating to our program and helping them get in touch with Mr. Lemons. Check out our current sponsors, an abbreviated list of our program expenses, and contact information:
<https://www.meadhsbands.com/sponsors.html>
3. **The Simply Sheets Fundraiser** is a great way for you to reduce the overall cost of the Disney World Trip. While the fundraiser is a group effort, sales are documented by the individual seller, so the harder you work, the less you pay for Disney World. This fundraiser is all online, so you don't have to worry about selling door to door, collecting money, or delivering items to anyone. Simply setup your online account, send friends and family to your store, and the profits are tracked.
4. Have you downloaded the BAND app?
 - a. The BAND app will allow all band students and family members a central location for communication, updates, reminders, calendar events, and easy access for parents to communicate with each other.
 - b. There are currently 3 groups in the BAND app:
 - i. Mead HS Marching Band Section Leaders and Drum Majors
 - ii. Mead HS Marching Band (Marching Band students and family only)

**Mead High School Bands
Disney Trip Fundraiser**

Pampered Chef is teaming up with Disney Pixar's Toy Story 4 for a limited edition Breakfast set!

Your student can earn 20% on all sales that they get out of our full catalog and for every purchase of the Disney Breakfast Set, I will donate an extra \$5 per set sold! It is a great way to get some awesome cooking tools for your home, and have your friends and family help fund your trip.

How it works:

1. Share the link below with your friends, family, and neighbors.
2. Place your order, and put your student's name in the Address 2 line (so I can give them credit)
3. If you live local, have it shipped to me, and I will coordinate getting the items to your student at school.
4. If you live out of area, be sure to mark the ship to guest button.
5. Call me if you have any questions (303-775-1684)
6. For each item #100117 (breakfast set) that is ordered, I will donate an extra \$5
7. Book a party and I will donate an additional \$5
8. All payments are due at time of order. Checks need to be made out to Kim Rivera.
