KINDNESS IS CONTAGIOUS

Mead High School Marching Band  
Community Service Project

**October 21 – 25, 2019**

We appreciate the community kindness and support for the Mead HS Marching Band and believe that Kindness is Contagious. Beyond our project to donate to the **Longmont Humane Society**, we hope to inspire other organizations, clubs, groups, and ensembles to spread the kindness.

We are collecting donations in the Mead HS Band Room from October 21 - 25.

All donations will be delivered to the **Longmont Humane Society**. We don't have a "goal" because any amount is a positive contribution! We just ask that you help how you can. Beyond items to donate, you can support our project by telling friends and family members, or volunteer to help deliver items to **the Longmont Humane Society**.

## Items Needed:

- Canned ground cat and kitten food
- Canned ground dog food
- Canned quality puppy food
- Milkbone biscuits (small or medium size)
- Non-clumping clay cat litter

**THANK YOU FOR YOUR DONATION!**
