2. How are you doing with the poinsettia flower fundraiser? We have a goal of 8+ items sold by each band student to help raise money for new marching band uniforms! All band students have hard copy order forms and access to the fundraiser packet PDF in Schoology. As an alternative to participating in this fundraiser, families can donate \$50 towards the uniform costs.
    - a. Orders and money are due to Lemons or Koehler by November 13
    - b. Plants delivered to Mead HS on December 3 (student/family pick-up the 3<sup>rd</sup> and 4<sup>th</sup>)
  3. We are seeking parents/guardians able to record short video clips to help us recruit new members from the middle schools. Please contact Mr. Lemons if you are able to help us out with this video project.
