Band, Choir and Orchestra Students ONLY!

Any student that needs to return an instrument, band uniform, or pick up an instrument can do so on either Thursday, May 21st or Friday, May 22nd between 9am - noon. Seniors who have borrowed/rented an instrument and other students who have an instrument that needs to be repaired or are moving, should plan on returning them to the school during these days. Students who are returning to Mead HS next year may keep their instrument over the summer. If you choose to do this, please make sure it is serviced appropriately for use next year.

Students should plan on parking in the north parking lot behind the B wing (band hallway). All transactions, handing in or picking up, will be done outside so that no student will enter the building. Students will not be allowed to use this time to try and retrieve belongings from other parts of the school. If they need something from a band locker or storage area in the music hallway, a teacher will retrieve those items and bring them to the student in the parking lot.

Students will need to follow the social distancing protocols mentioned below:

- No gathering or congregating. Students will be required to maintain a 6 ft. distance.
- all students are required to wear a mask
- If you have been ill or exposed to Covid-19, please set up a personal time to return or exchange your items.

To keep students safe, teachers will be wearing gloves and masks when handling instruments. See you soon!
